Design is directed toward human beings. To design is to solve human problems by identifying them and executing the best solution.

Ivan Chermayeff

It's not what you look at that matters, it's what you see.

Henry David Thoreau

Takes me longer to write up blog posts on experiments or projects than to create them in the first place.

It doesn't matter what the first child element of this div is...but it does need a child element.

This is a blockquote that is styled to look like a speech bubble

This is a blockquote that is styled to look like a thought bubble

No, Donny, these men are nihilists, there's nothing to be afraid of.
